Baca County Economic Development Has Job Opening

Baca County Economic Development Commission is seeking a new administrative part-time person that is interested in pursuing the job as a full-time position in the future. The administrator of the Baca County Economic Development Commission (BCEDC) is generally responsible for overseeing the programs and projects that the Board of Directors has directed to be implemented. Additionally, the administrator is responsible for the day-to-day operations of the office. The administrator functions as the Primary contact, and is the representative for Baca County in many regional organizations and meetings. The administrator will be expected to develop a complete knowledge and understanding of Baca County's unique economic and business climate, and to have a working knowledge of the various regional, state and federal programs which may be utilized to help further the goals of the BCEDC. The administrator must also be positive and non-partial in their work with all 6 communities within Baca County.

This position will be open until filled. The complete job description is available online at www.bacacountyedc.com for download. Applications will be accepted electronically please send a cover letter and resume to director@bacacountyedc.com.
